

Unit 1C – The information around us

Level 1

Pupils follow the teacher's instructions when undertaking tasks. They explore different types of information held on ICT systems. They use ICT to move objects on screen for a defined purpose and use words and pictures to communicate ideas. They are aware of ICT in their world.

Teacher commentary:

The children looked for signs and information around the school to take photographs of. The children were asked about the fire extinguisher and they were keen to know how it worked. They found: No Smoking signs, menus, fire alarm signs and numerous other things that interested them.
